CLASS DESCRIPTIONS

Classes

YOGA CLASSES:

BUFF YOGA— This strength building flow class focuses on sculpting a leaner stronger body while releasing stress and fatigue. A mind/body adventure that will leave you energized and ready to take on anything. **50min.**

GENTLE YOGA— Gentle Yoga presents an introduction to basic yoga poses. The class is designed to enhance balance and increase flexibility. Gentle Yoga is for people new to yoga or those who are experiencing joint sensitivity, overall stiffness due to lack of activity, or other physical limitations. **50 Min.**

BALANCE— A 30 minute class focusing on stability and balance from a chair, standing on a balance pad, and at a rail. Controlled awareness is stressed.

Balance and Bands—Balance class plus the use of resistance bands. From the chair, get a full body strength workout. **30 Min.**

Express Core Yoga —De-stress, detoxify and quiet your mind in this soothing yoga class that incorporates deep breathing techniques with restore poses. This class focuses on using postures to build strength & balance in the back muscles, abdominals, and glutes. **30 Minutes.**

CARDIO CLASSES:

Water Exercise—An energized class for all levels using the water as resistance to achieve a great cardiovascular workout with reduced stress on all joints. The resistance of the water helps strengthen joints and muscles and increases flexibility. **45-60 Min.**

CYCLING—This class will focus on the multiple fitness benefits of cycling including muscular strength, aerobic and anaerobic training. Rides will include various forms of interval training, hill climbing, sprinting, and or endurance training. **45 Min. Express Cycling (30 Minutes)**

F'AB Ride: 30 minutes cycling followed up with 15 minutes AB / Core work and stretching. A great class that covers just about everything!

Kickboxing: This class is designed to elevate your heart-rate as well as challenge your muscles and mind. **(45 Min)**

TOTAL BODY CLASSES:

CIRCUIT— Work your entire body by moving from station to station to improve strength and cardiovascular fitness. Boredom will not be a factor in this total body class as we will constantly keep you guessing what is coming next! **45 Min.**

TOTAL BODY— Make every muscle in your body work in this class that incorporates moves to improve your cardiovascular and muscular strength, balance and stability. **45 Min.**

Express TOTAL BODY —Tone your entire body utilizing a wide variety of equipment including weights, bands, stretch cords, balls and more! Gain strength and feel great. **30 Minutes.**
